**MOUNT MERU COFFEE**  
PREMIUM TANZANIAN COFFEE

SUBMITTED BY RON BOHRER

## **YOUR CONSISTENT SUPPORT IS APPRECIATED**

This is the twenty fifth year of the Mt Meru Coffee Project. The Mt Meru Coffee Project continues to be blessed with the support of members of the many congregations that are associated with it.

The Project has been helping to improve the standard of living for the small coffee growers of the Meru Diocese in Tanzania.

The families of these coffee growers live on plots of land that are often as small as 3-5

acres. Most of the crops grown are for their own sustenance and in most cases coffee is their only cash crop. Before the Mt Meru Coffee Project began shipping coffee to the USA this PREMIUM coffee was purchased by international coffee buyers. The low prices they paid made it impossible for most of these coffee growers to send their children to school or to afford adequate health care. The standard of living has improved in the Meru Diocese because of the Mt Meru Coffee Project. This story is told on the back label of every package and at our web site

[www.mtmerucoffee.org](http://www.mtmerucoffee.org).

By supporting the Mt Meru Coffee Project you are helping to give these families a hand up rather than a hand out. If they were here with you now they would say Asante sana (Swahile = Thank you very much).

# Songoro - All Saints Partnership

## Message From Tanzania

When asked how the All Saints – Songoro Scholarship Program benefitted Songoro students, Ahimidiwe Nanyaro, a student sponsored by Vi and George Corliss responded with a message including five topics. It is in English, his newly learned second language, and is displayed at the Songoro display in our narthex. The first topic is presented below. Our generous patrons, including the Corlisses make this happen. Additional students are praying that patrons will step forward to sponsor them.

A list of these students is available at our display or by contacting [ronbohrer@aol.com](mailto:ronbohrer@aol.com) or 262-392-2967.

Dear All Saint Lutheran church,

My name is Ahimidiwe Malaki Nanyaro from Songoro Lutheran Parish also among the beneficiaries of the partnership between Songoro and All Saint Lutheran Parish. We are praying for you ALL.

### First and Foremost

They use to say that “We are stronger because we stands on the shoulders of who came before us” WE thank God for having our elders Mr. Ron and the Songoro Lutheran parish scholarship programme committee for performing all the task of managing ,organizing and leading us all in this partnership and collaboration with ALL saint members God bless you ALL, .Now we are even able to write a story to you our fellow youth and other students are able to communicate with their patrons /matrons via email with the guide of our elders Songoro Scholarship Programme Committee members and Mr .SOORI (Mr.RON) that is why I come up to realize that we are now stronger because we stand on their shoulders.
