Scrip News September!

We wish to thank everyone for continuing to buy Scrip gift cards that help our Human Concerns missions. We especially want to thank those of you who use the Raise Right app for electronic savings!

We are sure many families have started their back-to-school shopping. Maybe some of you are starting to think about holiday shopping. Be sure to get your orders in while you are making your lists! There is a list of all current gift cards available on the bulletin board by the Scrip table. Check through the list to see if there are some you would like us to order for you:

NEW—there is a new feature on the RaiseRight app called Local Dining.

If you attach a credit card or debit card to your app, you can earn additional money for church. Every time you dine and pay with that linked card, you'll automatically earn 5% for ASLC. Currently there are 186 listings in our area, and more are added every day. There is a FAQ section under Link, Dine, Earn for more information. Some local restaurants participating are **Ella's Public House and Rise and Shine Café in Wales along with Pacific Bistro and Badger Burger Company.**

Did you have an amazing trip this summer? Are you ready to order your pictures or make your photobook-- think Shutterfly or Walgreens!

Are you considering using Wayfair or Overstock.com for some updates—we sell those! Have you gone to the Marcus Theatre lately? We can get those too. They can be used for tickets as well as your popcorn and beverage! Fall projects—Home Depot, Lowe's, ACE, Menards, Fleet Farm—we carry them!

You can also order any gift cards online at [RaiseRight](https://www.raise-right.com/). Please register a family account and use our ASLC enrollment code--**21BE9CD476L8**. You will also need this code to set up an account on the RaiseRight app. There are some cards that are only available as e-cards and you would need to get the app to order and use those—like Airbnb or some airlines. We have enjoyed wonderful support from our congregation and ask that you continue to buy Scrip cards in the future. We want to continue making generous and greatly appreciated donations for missions in the future.

Attention Delafield Sentry Shoppers –

Receipts equal: FREE CASH!

Submitted by Ellen Gallagher

Thank you to everyone who has turned in their Sentry receipts thus far in 2025. As of June 2025, we've donated \$98.73! Our goal is hopefully to donate over \$300 for 2025!

Sentry sends us a rebate (Free cash) for 1% of tallied receipts submitted! The rebate monies ASLC receives goes to help build up our General fund.

We are now accepting past receipts dated from February 1st 2025 up to the current date of August 2025. **Remember it's important to turn in those past dated receipts ASAP to get our credit before Sentry won't accept them.**

We'd love to have more families participate or if you know of someone who is a frequent Delafield Sentry Shopper; have them save their receipts for you to turn into church.

I would like to make another submission soon, please bring your receipts to church ASAP.

How to return your receipts?

There is a top desk drawer in the Hearth Room on the left-hand side labeled, "Sentry Receipts" or place them in my mailbox in the coat room.

Please continue to save your Delafield Sentry grocery receipts!

Help us achieve our 2025 goal! ASLC appreciates your support! Any questions, please contact Ellen Gallagher.

THE SUCCESS OF THE SONGORO SCHOLARSHIP PROGRAM

The scholarship program established with Songoro Parish, our partner congregation in Tanzania, is recognized by the partnership committee of the Greater Milwaukee Synod as a success. A number of Milwaukee area congregations that have partner congregations in the Meru Diocese are considering using the All Saints model for their scholarship programs.

This model is made up of a two part program. Members of all Saints support the portion of the program for secondary school students with their contributions during an appeal that raises funds each year. The Scholarship Program for Higher Education is supported by individual patrons that are linked with prospective students that have been recommended by the Scholarship Committee in Songoro Tanzania. These patrons commit to supporting their student throughout their college career.

Twenty-five Songoro students have already received, or are currently working on, their degrees because of our scholarship program. You can change a life by becoming a patron.

There are several additional applicants that are praying will step forward for them. For more information contact ronbohrer@aol.com 262-392-2967.

Fans for Hephatha Families

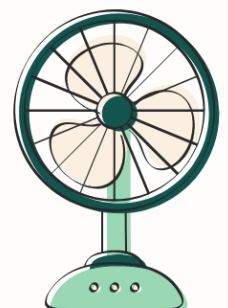

Do you have a fan in your basement or a closet that you're not using? Have you seen ads for fans on sale? Do you have a portable air conditioner that you don't need?

This has been an unusually hot and humid summer. It seems that each summer, we are setting new high temperatures and, unfortunately, this trend will most likely continue. Every time I step inside my air conditioned house, I'm grateful for the relief from the high temperatures and humidity. But what about those people who live in older, un-air conditioned houses? How are they coping, especially since we have experienced temperatures staying well into the 70's overnight?

I talked with Pastor Mary Martha, pastor of Hephatha Lutheran Church in Milwaukee, and told her about my concern. Together, we came up with the idea of donating unused fans and portable air conditioning units so that just maybe people could be a little more comfortable.

If you have a fan that is in workable condition, it has a cord that isn't frayed or cracked and would like to donate it, please bring it to church and put it in the Hearth Room. I will make sure it gets to Hephatha. If you would like to arrange a pick up, please contact me at kathleen.theis@gmail.com or at (262) 968-4482.

Thank you!
