

All Saints Lutheran Church

Everyone is Welcome Here! Seriously, Everyone!

2026 Stewardship Appeal

Sustaining Ministry Excellence

Here at All Saints, we strive to enhance our ministry by offering spiritual opportunities for EVERYONE to grow in their faith journey. Whether it is by listening to the inspirational sermons Pastor Jennifer gives weekly, attending a bible/book study group, participating in one of the many fellowship activities, going on youth mission trips or attending Sunday School, we have an abundance of ways to enrich our faith.

Being a welcoming church community is vital to our existence. By offering a variety of programs and having strong leadership is a huge benefit to our congregation. This past year we had 24 new members join and so far in 2025, we've had 14 new members join! Wow, that is truly amazing and that number will continue to grow. If you see an unfamiliar face at church or during coffee hour, be sure to introduce yourself.

All Saints is a Reconciled in Christ (RIC) congregation meaning we welcome EVERYONE regardless of their age and size, color and culture, every sexual orientation and gender identity, any socio-economic status and every ability and challenge.

We also have vibrant music programs that enhance our worship services. We are thankful for our gifted leaders, Judy Knoernschild (Accompanist), Jean Voelkel (Hand Bell Director), and Lori Dittmar (Ensemble and Choir Director). We're grateful for the musicians who share their talents each week during worship.

Jeff and Ginny Kozminski, our custodians, keep our facility clean for all who enter the building. The Building and Grounds committee helps by having a spring window washing day and they recently held an outside cleanup day to spruce the flowerbeds.

Our church secretary, Amy Holland has been a great addition to our staff. Amy brings a wealth of technology expertise to the table.

Throughout scripture, we are encouraged to give God our best. Excellence insists that we always bring our best because when we do that, it honors God.

We all play a role in sustaining ministry excellence. During this Stewardship campaign, please consider “Stepping Up” your contribution.

Step Up For All Saints Lutheran Church

Step up to support our congregation!
Please examine where your pledge falls on this chart.

Be as generous as you can and consider moving up a step in your monthly offerings.

With God’s help, our generosity supports our congregation in loving and serving Jesus and our neighbors!
