# Crossing the Chasm

This daylong workshop is grounded in the biblical story of The Rich Man and Lazarus and examines the chasms of separation in our communities. Join Rev. Marilyn Miller and Joyce Caldwell, PhD on March 7 from 9:00 am - 4:30 pm at Redeemer Lutheran Church to examine the construction and meaning of racism and the part we all play in upholding and maintaining the system. We will begin to identify steps and opportunities to grow in both understanding and action. Space is limited.

## SONGORO PARISH PARTNERSHIP

# YOU CAN CHANGE A LIFE

You can change a life in Tanzania by supporting this the Songoro Scholarship Program. Patrons from All Saints have been supporting these college students since 2005 and these scholarship recipients have been supporting Songoro Lutheran Church allowing the congregation to add community support programs that would not be possible without the generous contributions from them. There are a number of potential Songoro college students praying that there will be patrons to help financially support for their education. Several of these worthy students are listed at our narthex display for your review.

The relationship Between All Saints Lutheran Church and Songoro Parish in Tanzania continues to flourish. The members of Songoro Parish continue to pray for us at their Sunday service every week. The Songoro Scholarship Program continues to bring pride and dignity to their parish because of the large number of their youth that are attending secondary school and college.
