# THE SCOOP

SUBMITTED BY SUNDASY SCHOOL TEAM

A colorful illustration for a Sunday School registration poster. The background is a bright blue sky with white clouds, a yellow sun with a face, and a small airplane. In the foreground, five diverse children are running and playing on a green grassy field with small flowers. A small church is visible in the background on the left. A large red speech bubble in the center contains the registration information.

The Stewardship team has been working diligently since April to plan this year's campaign and we need your help.

If you have been yearning to be in the spotlight, here's your chance. Instead of the usual "Temple Talks" we've done the past several years, we are going to change it up a bit. We are looking for several volunteers to answer the following "faith story" questions via video recordings that you can record yourselves or have a Stewardship team member record for you at an arranged time. The interviews should be brief, 1-2 minutes in length, which will allow us to share them during worship.

Ideally, we would like the videos submitted by August 16 which will allow us to edit them prior to the kick-off of the Stewardship campaign.

Here is a list of the interview questions we are looking to have answered:

1. What keeps you coming to All Saints Lutheran Church?
2. How would you describe your faith journey?
3. What is your "faith story"?
4. How has your "faith" grown?
5. Who was someone you looked up to during our faith journey?
6. How has your faith grown through life's challenges?
7. How does your faith impact your daily life?
8. Share a time when your faith was tested.
9. What Bible story, song or verse is most influential in your life right now?

Completed videos or questions can be sent to Pam Gasper at [pamg7724@gmail.com](mailto:pamg7724@gmail.com). Thank you in advance for your participation!

## MOUNT MERU COFFEE

I want to highlight the Mt Meru Premium Peaberry Coffee, it is formed when a single coffee bean grows within the coffee "cherry" fruit instead of the normal twin coffee beans. These rare coffee beans are only 5% of beans grown and need to be sorted from normal coffee beans. Richer Flavor - Less Acidity - Available in Whole Bean or Drip Grind

Your continued support of the Mt Meru Coffee Project at our congregation or our website is helping to make the Meru Diocese a better place to live today and in the future.

Mount Meru Premium Coffee is available at our All Saints narthex display.

**Thank you for your support!**
