# CIRCLE GROUP

## MONDAY, SEPTEMBER 28TH
## 7:00 PM IN THE YOUTH ROOM

We are a safe place for learning and discussion of issues of social justice. For the next several weeks, we will study Palestinian people and their history. We learn that even that statement can be inflammatory to some.

**Sept. 28: Ancient Histories - How Did Palestine Get Its Name** (13 min.)

**The Circle Group is a lay-led group for learning, discussion, prayer, and action around issues of social justice. All are welcome!**

**All are welcome.**

**Scrip News—We have a Promotion for the month of September!**

Scrip orders at the table have been slow in August. There were a few Sundays when there was not one order……So, through the generosity of an anonymous donor, for the month of September, there will be a bonus! For every $250 in gift cards ordered at the table during September, you can pick a $25 card of your choice! You receive a 10% bonus on your purchase, and the Human Concerns team gets rebate on the gift cards you buy. That is a Win-Win! You can purchase some cards in stock and order some to be ready on a future Sunday.

Maybe some of you are starting to think about holiday shopping. Be sure to get your orders in while you are making your lists! There is a list of all current gift cards available on the bulletin board by the Scrip table. Check through the list to see if there are some you would like us to order for you

**Local Dining Feature on RaiseRight App.** If you attach a credit card or debit card to your app, you can earn additional money for church. Every time you dine and pay with that linked card, you'll automatically earn 5% for ASLC. Currently there are 185 listings in our area. Check the Discover link on the bottom right of the main page on the app for more information. Some local restaurants participating are ***Pacific Bistro, Sobelman's, Jersey Mike's Subs, Dairy Queen and Badger Burger Company***.

Did you have an amazing trip this summer? Are you ready to order your pictures or make your photobook-- think Shutterfly or Walgreens!

Are you considering using Wayfair or Overstock.com for some updates —we sell those! Have you gone to the Marcus Theatre lately? We can get those too. They can be used for tickets as well as your popcorn and beverage! Fall projects—Home Depot, Lowe's, ACE, Menards, Fleet Farm—we carry them!

We have enjoyed wonderful support from our congregation and ask that you continue to buy Scrip cards in the future. We want to continue making generous and greatly appreciated donations for missions in the future.

# Hephatha College Students, 2026-2027

The Human Concerns Team has sponsored college students for many years. For the past ten years, we have supported Hephatha members who have decided to continue their education beyond high school. Pastor Mary Martha, pastor of Hephatha, has recommended these students based on their strong connection to Hephatha and plans for their future.

The Team makes a commitment to support one student for two years. At the end of the two years, we review our commitment and have sometimes renewed the support for another year or two. We have been blessed with continuing donations from a very generous anonymous member of All Saints so that an additional Hephatha student has benefited from funds to help pay for college expenses. This person is an ardent believer in the power of education!

Just this fall, this donor has volunteered to support two students! SO, we now are helping three Hephatha members; they and Pastor Mary Martha are thrilled and most thankful.

**Laniya** is in her second year to become an ultrasound technician. While attending classes, she also works full time at Mt. Sinai as an EKG technician. We will review her progress at the end of this school year.

Amira has just begun classes at MATC and is studying to be a nurse. This will be a two commitment.

**Skie's** goal is to receive a bachelor's degree in the area of sports law. She hopes to continue her education by going to law school. Skie is a long time member of Hephatha, along with her mom, Ledorra. Last year, the two of them moved to Texas but they are regular online worshippers with their Hephatha family. Pastor Mary Martha has requested that this be a one year commitment.

Each of these students receive $500 per semester. Our guidance is that the money be used for any college expenses that aren't covered by grants, scholarships, etc. You might be wondering where the Human Concerns Teams gets the money to send to these very deserving young adults. It's from money we receive by ordering gifts cards through the Raise Right (Scrip) Program!! Every time you purchase a gift card from Raise Right, we receive money that we use for our many donations throughout the year, so.....thank you!!! We could not extend this support if not for your gift card purchases.

**MOUNT MERU COFFEE**

Your purchases of Mt Meru Premium Coffee continue to improve the standard of living in the Meru Diocese in Tanzania where farm families live on 3 – 5-acre sustenance farms and have an average annual income of $400 - $500, primarily from their coffee crop.

By supporting the Mount Meru Coffee Project, you are helping to give these hard-working farm families a hand up rather than a hand out and if they were here with us now, they would say Asante sana (thank you very much). Mount Meru Premium Coffee is available at our All Saints narthex display.

**Thank you for your support!**
